Just how do you say gastrocnemius?
Listen to the whole course on CD.

Pop it in your car stereo and revise while you drive.
Copy it to your iPod and learn while you walk.

Order Form for Audio Learning Aid for Anatomy & Physiology

Audio revision and learning aids are available at a cost of \$15.00 per Module. Recording is studio quality. Audio copies are made at the time of ordering, so there may be up to a week's delay before your CD's arrive. Your papers will arrive by return post.

Listening to the course helps with;

- Pronunciation;
- Revision (while you garden, iron, or walk the dog);
- Learning via a second tier (other than reading);
- People with a visual impairment – for example, eyestrain.

You can pay for the whole audio at registration (an additional \$165.00). Or you can pay by instalment, and pay \$15.00 Module by Module.
